

# UNILATERAL CONVERGING SHOULDER PRESS

## 709SP

### SIGNATURE PLATE LOADED EQUIPMENT

#### FEATURES & BENEFITS

1. Oversized 3.8cm pressing handles distribute force across the hand and reduce strain
2. Adjustable seat height accommodates most size users
3. Gas Spring-assisted design for ease of use
4. (4) integrated weight-storage horns
5. Converging movements for a natural forward pressing motion, and iso-lateral movements for equal strength development.

The **TKO Signature Plate Loaded Equipment** line is designed to offer high-quality performance and a straightforward design, enhancing the user's workout experience while providing a worry-free product for your facility. With user-friendly features and a clean appearance, these machines are easy to use and maintain, ensuring a hassle-free experience for both facility operators and users.
